

SYED MANSOOR

Computer Science & Engineering (Data Science) Student

mansoord7781@gmail.com | 9959125559 | Sai University

PROFILE

Computer Science and Engineering student specializing in Data Science at Sai University. Comfortable across the full front-end build process — from structuring pages in HTML/CSS to adding interactive, validated JavaScript features. Enjoys turning practical, real-world business needs into working websites.

EDUCATION

B.Tech, Computer Science & Engineering (Data Science)

Sai University

TECHNICAL SKILLS

Languages: C, Python, JavaScript

Web: HTML5, CSS3, responsive design, form validation, REST-style integrations (WhatsApp API, Google Maps embeds)

Tools: Git & GitHub, GitHub Pages

PROJECTS

SMV Tyre Agencies — Business Website

Personal Project | HTML, CSS, JavaScript

- Built a 5-page business website for a real tyre shop, covering home, services, tyre pricing, booking, and contact.
- Implemented a full-screen, auto-rotating image slider for the homepage hero section.
- Built a booking form with live JavaScript validation — name, 10-digit phone pattern matching, and conditional field requirements.
- Connected form submissions directly to a pre-filled WhatsApp message for instant customer-to-shop handoff.
- Integrated an embedded Google Maps location with click-to-call and WhatsApp contact actions.
